| Preparation phase: If the tender had not been won, it could still be considered a success that the 6 municipalities jointly compiled a project plan. So far, there have been only bilateral contacts between the participating municipalities. Now we think together, plan and get to know each other better. Phone conversations, email correspondence, and zoom video discussions took place before the project, before and after each event. |   |

**Event No.1 - opening partner meeting in Gyöngyös (Hungary) 20-22. May 2022**

The event took place within the framework of the Mátra Wine Days Festival. During its three days, numerous concerts, craft fairs, family programs and gastronomic demonstrations awaited those interested. On the first day we finalized the consortium agreement.

We discussed the details of this project. Then we held together a press conference. The mayors of the participating towns spoke about what results they expect from the project. On Saturday in the framework of workshops, we presented the development aspirations of the city of Gyöngyös and agreed on future joint projects.
